FOREWORD

Nineteen Hundred and Sixty Six saw the end of an era and the beginning of a new one. In compliance with the State Department of Education, Grant County schools became completely unified. This unification had many ramifications, including the election of a unified Board of Education. Another facet involved was the demise of Grant County Rural High School. The Journalism classes of Nineteen Sixty Five-Sixty Six wish to present a literary tribute to this school system and the dedicated people, living and dead, who served the system. Much credit is also due Mrs. Irene Wells, Home Economics Instructor, who graciously allowed the Journalism Department to employ the notes developed through her research for a history of Grant County Rural High School. Without her research much of the material would not have been possible.

Grant County Rural High School was organized in 1921. Evolving from the original high school established in 1911, Grant County Rural High School held its classes in three rooms of the County Court House until 1929.

Graduates have increased from 1, Mr. Madison Alexander, (May, 1914), to 73 in 1966. Mr. Fred Lippee was hired as principal, and was the teaching staff until 1913, when two more teachers joined the faculty.

Today, Grant County Rural High School employs thirty-two teachers, offering sixty-one and three-fourths units of instruction to its students.

The phenomenal growth of this institution shows no signs of abating. A pressing need for facilities has prompted plans for remodeling and new construction this summer.

Grant County High School will go on to greater heights. It stands as a monument to those who gave unselfishly of their time, their labor, and their material possessions. It also represents the faith of its supporters for the future, and the desire that the youth may have the greatest opportunities to avail themselves of an education.

Mr. Kenneth Bogue served in the capacity of principal, Mr. Sanford Day as Vice-Principal, and Mr. Jay McGaughey as Counselor.

Mr. Kenneth Bogue taught speech, debate, drama for thirteen years and has been principal of Grant County Rural High School for two years. Next year he will leave his job as principal and assume the duties of Assistant Superintendent of the Unified District.

Mr. Day taught commerce at G.C.R.H.S. for six years and has been acting as Vice-Principal for the past two years. Next year he will be Principal and Mr. H. D. Hale will assume the responsibilities of Vice-Principal.

Mr. Jay McGaughey has served seven years as counselor and will continue to advise the students of G.C.R.H.S., as they make their decisions so important to their futures.

Helen has friendly conversation with Toni the Tiger.

THESE LADIES *keep things running smoothly*

Mrs. Helen Durham, after serving fifteen years in the office at G.C.R.H.S., will be promoted to Hickok School next fall. There she will serve as secretary to the Superintendent and Assistant Superintendent, as well as Clerk to the Unified Board.

Mrs. Evlon Gindlesberger will continue to brighten our school with her sunny disposition and willingness. Mrs. Gindlesberger entered the service of G.C.R.H.S. with the current class of graduating Seniors.

The beginning of this school year brought many more students, increasing the membership of the faculty to thirty-two, the largest in the history of G.C.R.H.S.

After losing two of our faculty members, Miss Sarah Harvey and Mr. John Davis, we gained six new teachers, making an increase of four over last year.

Mr. Jerold Bailey teaches English, citizenship, and geography. Mrs. Doretta Gregory teaches home economics. Mr. Max Hiebert joined Mr. Hale and Mr. Martin in the mathematics department.

Miss Bonnie Slifer teaches English II and III. Mr. John Smith teaches boy's physical education and bookkeeping. Miss Kathleen Unruh took the place of Mr. Davis, giving us a full-time librarian for the first time.

MAINTENANCE

The increased enrollment of the student body meant more work for our cooks and custodians.

The cooks worked to please our tastes throughout the year. Mrs. Med Mead, after serving since April of 1956, left in the middle of the year to work in the new Western Prairie Nursing Home. Mrs. Wilma Koehn and Mrs. Pat Koehn joined us to assist in her absence. The cooks worked hard every day, and also came many nights after games to feed the opposing teams a snack.

The custodians helped again this year by answering every distress call. They kept the school grounds as tidy as any we have seen.

As they kept the school rooms clean and warm, got up early in the morning to shovel snow, and kept the school grounds neat, they also willingly came many nights to open buildings, and after every game stayed to clean and lock up. Also, they drove school buses to out-of-town games.

The custodians, Leo Wright, Bob Downing, Roy Davis, and Paul Swisher, work diligently to put locker combinations in operating order.

Hungry students wait in a long lunch line.

Miss Unruh, Librarian, and Linda Tilson, one of the student librarians.

There was a new face in the library this year. Our new librarian, Miss Unruh, is the first full time librarian G.C.R.H.S. has had. Being able to work in the library full-time made it much easier to put the library in its proper order. Miss Unruh is a graduate of Kansas State Teacher's College of Emporia. She majored in social sciences and minored in library science.

During this year Miss Unruh planned to give the Vertical File a complete overhaul, bringing it up to date.

The library had a new set of Science Encyclopedias this year and added many new books.

"The library and its references are available for the student body to help them in any subject. If you have any questions, or problems arise, I am always willing to help," said Miss Unruh.

Mrs. Marcy answers questions brought up in class.

Tiger English, being one of the major requirements, has more students than any other subject taken during the four years at G.C.R.H.S. Freshman and Sophomore English are mainly concerned with grammar, but Junior and Senior English are more concerned with literature and theme composition. Four units of English, or a substitute, such as Journalism or Advanced Speech, are required for graduation from G.C.R.H.S.

The Freshman English classes are taught by Mr. Bailey. Basic English classes are taught by Mrs. Pat Steen. Sophomore English classes are taught by Mrs. Dorothy Marcy and Mr. Will Schrepel. Miss Slifer taught the Juniors English. The Senior English classes are taught by Mrs. Jo Martin. Freshman, Sophomore, and Junior English classes have one six weeks period each semester in speech under either Mr. Schrepel or Mr. Specht.

DEBATE DRAMATICS SPEECH

To provide a demanding society with individuals capable of expressing themselves in a clear and effective manner, G.C.R.H.S. has provided a comprehensive oral communications program inclusive of such areas as debate, dramatics, and speech.

Debate students have often been labeled the elite of the speech students. The debater must possess the ability to think logically and clearly under pressure, then express these thoughts in the most convincing and fluid manner possible.

Dramatics class centers its attention on all phases of the theater. The students study; history of drama, acting techniques, play production, set construction, and a wide variety of related areas. This year, the Dramatics class constructed the set for the all-school play, "Arsenic And Old Lace," directed and produced three one act plays, and wrote one one-act play.

Each student enrolled in English I, II or III is required to participate in one six week's training of speech each semester. A rigorous program designed to develop the student into an accomplished speaker is available in the Advanced Speech class.

Phil Durr and Mr. Specht have discovered a valuable piece of evidence in Debate class.

Nancy Burhenn inspires a speech class.

Joyce Leighty is awed by Linda Tilson's collection of evidence.

HISTORY AND SOCIAL

Mr. Raines points out to his American history classes the position the United States holds in the world today.

Under the direction and guidance of Mr. Raines and Mr. Burkhart, the students of G.C.R.H.S. learned all there was to know about American and world history. That is, they all had the opportunity to learn.

Mr. Burkhart, teaching psychology and sociology; Mr. Gleason, teaching American Government; and Mr. Bailey, teaching citizenship; headed the students' social science department. Psychology, sociology, and geography helped the students better understand themselves and others; while the American Government and citizenship classes taught them to understand the complexities of our government.

LANGUAGE

Mr. Rundell, Spanish and Russian teacher, has gone into the field to further his knowledge of the customs and societies of Spanish-speaking people.

In the summer of 1965, Mr. and Mrs. Rundell took a National Education Association-sponsored trip through Central and South America. In the summer the couple plans a tour of Europe, with special emphasis on Spain.

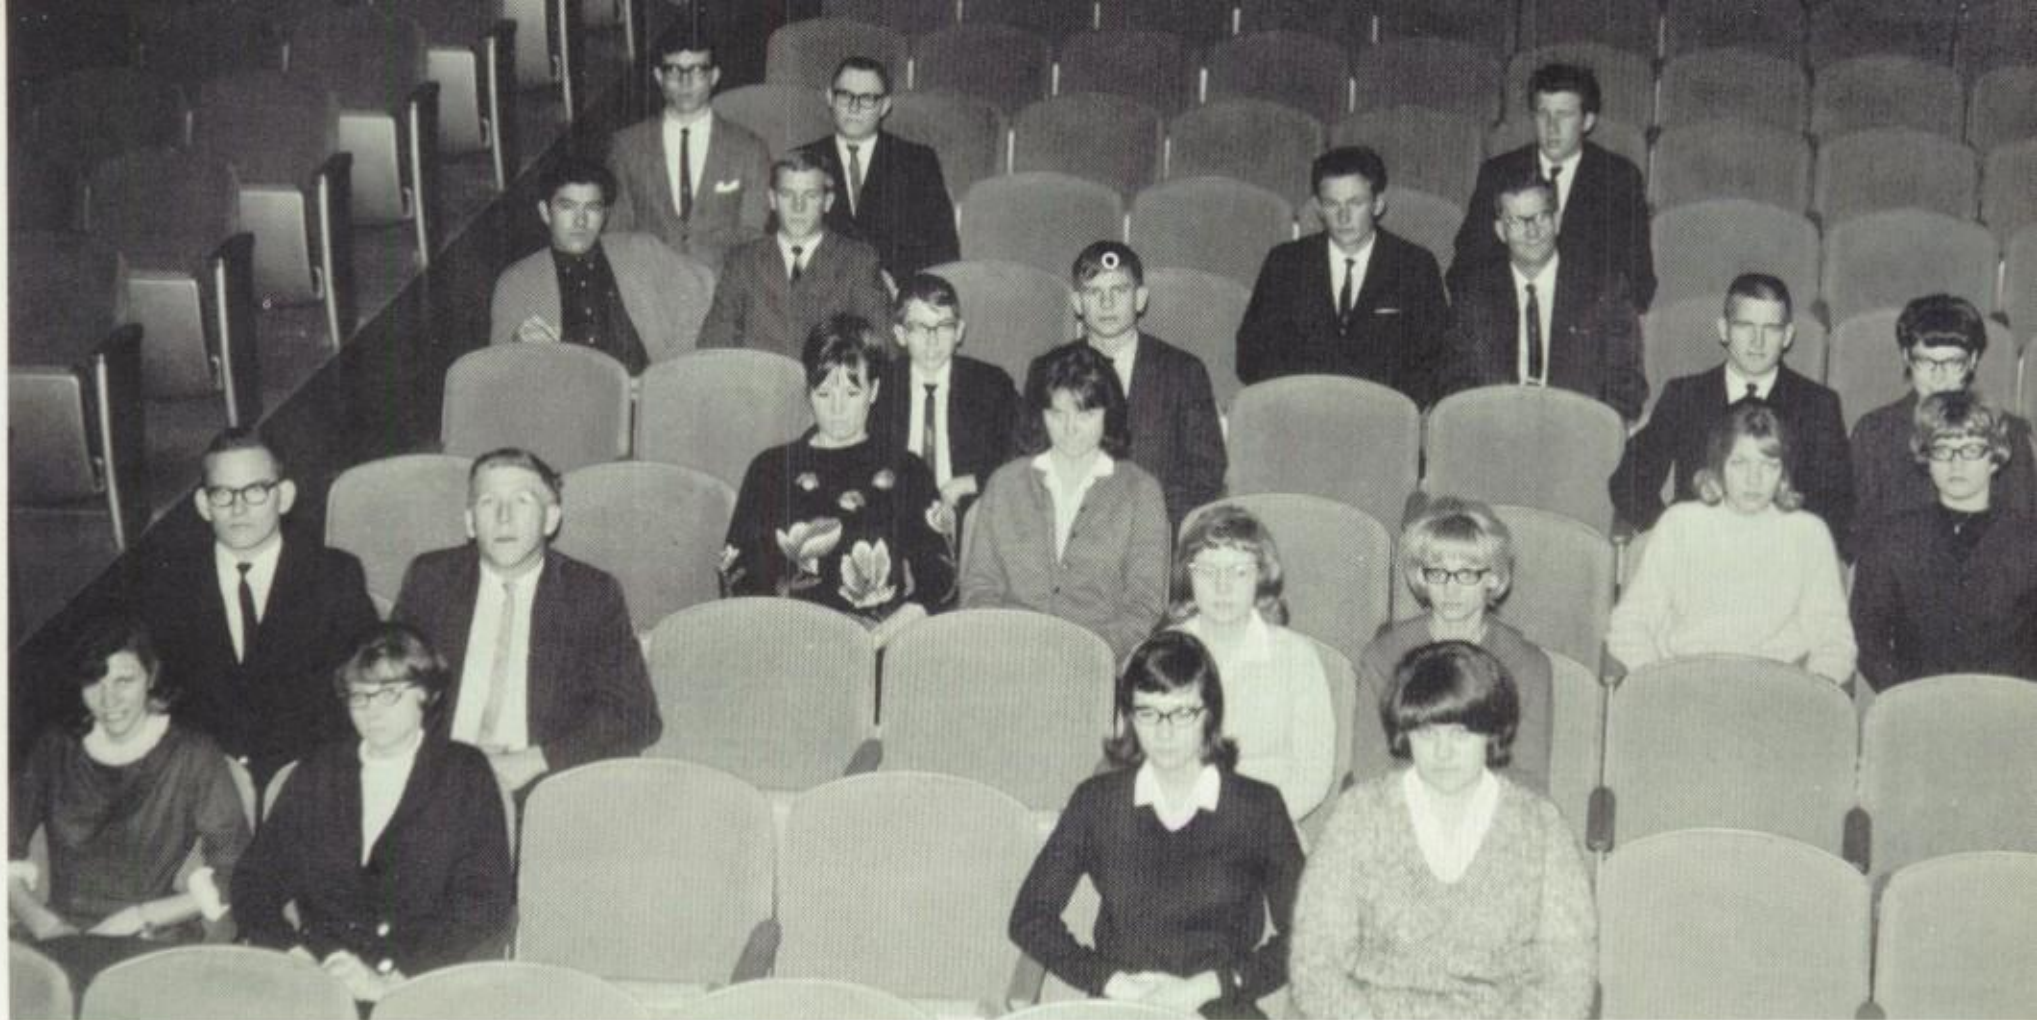

The German department, under Mr. Mitchell, entered the National Association of Teachers of German Contest this year, journeying to Wichita April 2nd. Those making the trip to represent the German department and GCRHS were Tom Stinemetze, Daryl Conklin, Steve Griffin, and Charles Mitchell.

JOURNALISM CLASS '66

For the first time two journalism classes were formed to accommodate the 26 students. Before, there was such a small number enrolled that one class was enough.

Carrying on the tradition started last year, the newspaper was entitled the "Tiger Tale." Under the guidance of Mr. Mitchell, Diane Walker and Nancy Gettler did a fine job editing the monthly news. The entire journalism class put a lot of work into the paper, hoping to please the student body.

In between newspaper issues, work on the yearbook was demanded. To encourage students to buy yearbooks, the Tiger Queen and King Contest was organized. Each class chose a couple as its representatives. When a student bought an annual

he earned a vote for the candidates of his choice. Donna Hampton and Allen Williams, senior candidates, won. Susan Hill and Roger Britton competed for the juniors, Linda Frack and Duane Harbour for the sophomores and Donna Swindler and Jeff Joyce for the freshmen.

The entire class takes credit for assembling the yearbook and blame for the errors. Mr. Mitchell's teaching was a help to all. Sparky Loucks, assisted by Linda Randle, spent a lot of time as editor.

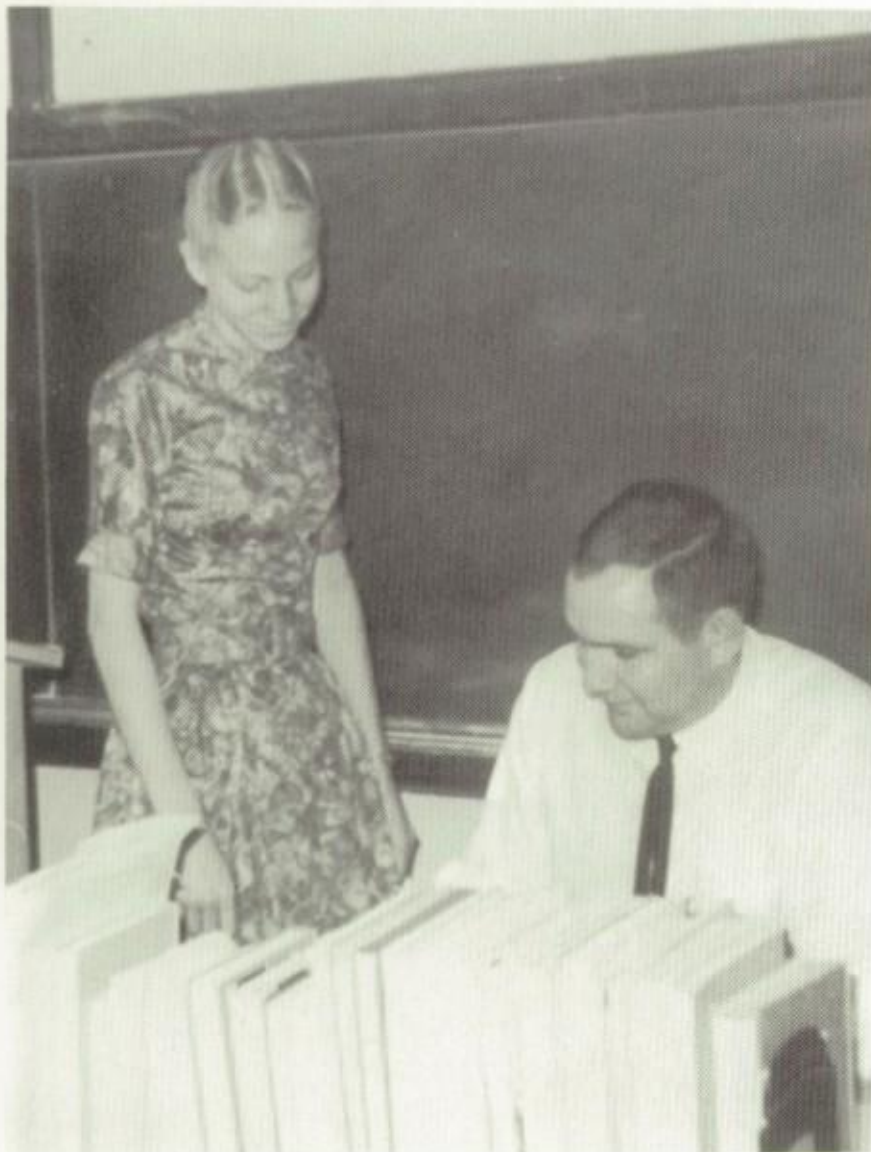

The Tiger Staff of 1966 thanks everyone who helped with the paper and yearbook. Special thanks go to Ruben Martinez for the artwork in the annual.

COMMERCE

Cindy Hennigh and Becky Joyce type up their lesson for the day.

Mrs. Joyce Summers, Mr. Vernon Hastert, and Mr. John Smith directed the business courses offered this year.

Classes under Mrs. Summers were vocational and functional typing, shorthand, and office practice. Mrs. Summers helped her students through the fundamentals of typing, covered the theory of Gregg Diamond Jubilee Shorthand, and the different procedure of office practice.

Mr. Hastert's business classes included economics, general business (a new course offered this year), vocational typing, business law, and consumer economics. Students in his classes completed their practice sets in bookkeeping, graphs on stocks, and field trips downtown to a court session, to the bank, and to various places of business.

Mr. Smith, a new teacher here at GCRHS, instructed his students in bookkeeping. The students completed two practice sets, and their workbooks as well.

New equipment was added this year to the business departments. The equipment included new desks, chairs, and adding machines, which helped add more enjoyment to the courses.

Mr. Bender has completed another year of teaching the younger set the art of driving.

This year the school received a new car. It is a Plymouth with an automatic transmission. This is the first year that the school has had anything other than a standard transmission.

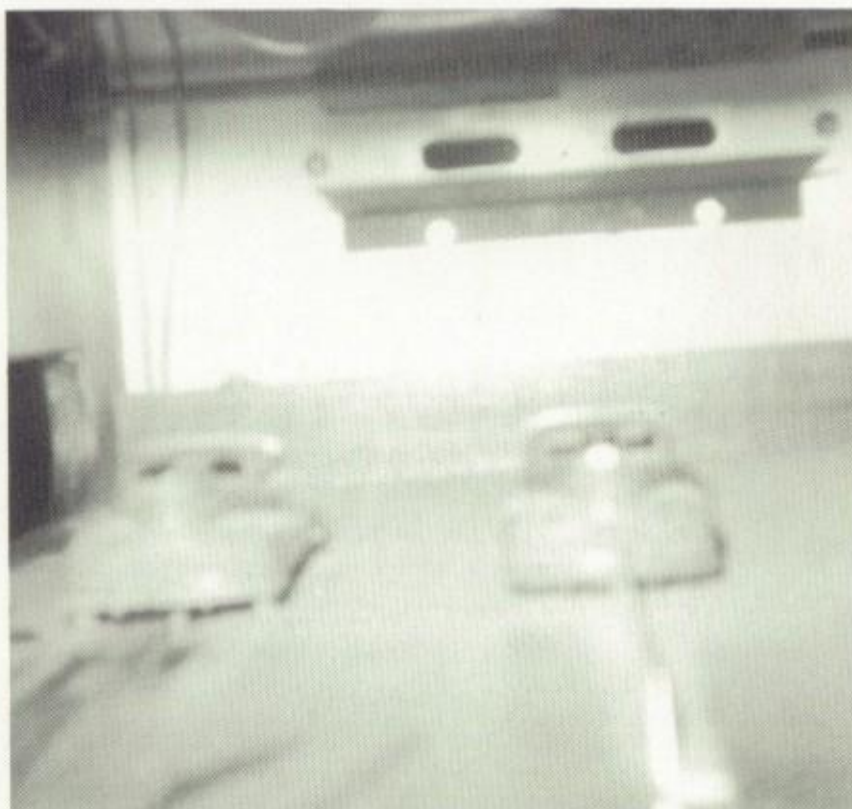

There have been times when you would think the car wouldn't last, but it always comes back OK.

Mrs. Steen

A change was made in the Physical Education Department this year. The first-year physical education students spent part of the year in gym activity and the rest of the time was spent in the classroom studying health. The advanced classes had physical education the whole year. Mrs. Marcy and Mr. Smith instructed the health classes.

For the first time in the six years since Mr. Jay McGaughey came to G.C.R.H.S. he was able to hang up his gym suit and devote all of his time to the job of counseling. Previous to this time he taught a portion of the boy's physical education classes. He was able to do this due to the fact that Mr. John Smith was added to the faculty.

PHYSICAL EDUCATION

The advanced physical education classes furthered their knowledge in these fields.

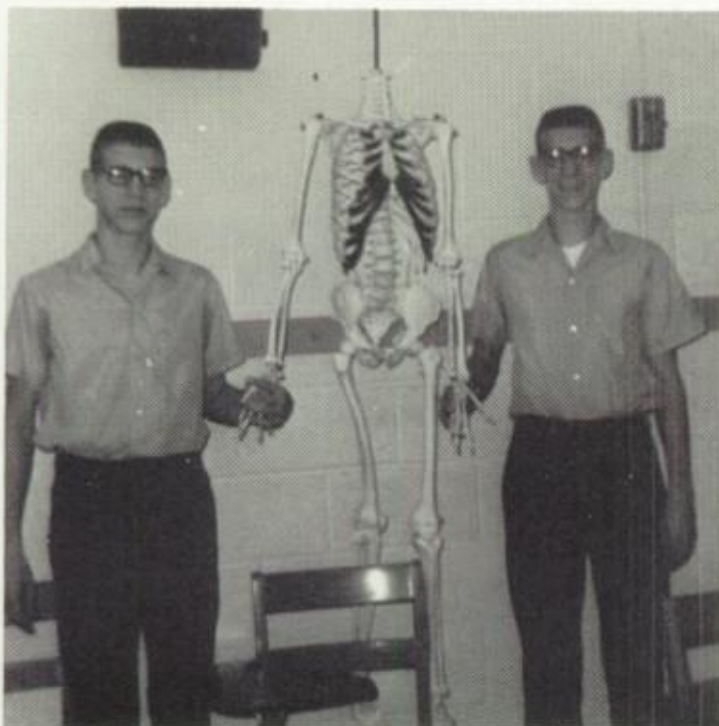

Another addition to this department was the intramural sports. The different teams participated in such games as basketball, volleyball, softball, and other team sports.

Some of the intramural teams had such outlandish names as the Misfits, Mistakes, Hopity Hoopers, Redhots, Boondockers, and the Honeybears. There were a total of eight girl's teams and six boy's teams which played against some of the faculty men.

Mr. Hiebert demonstrates solution.

No matter, what you do today, you'll find mathematics everywhere. The professors at G.C.R.H.S. realize this and strive to prepare their students for the world of figures. Although no Einsteins came from our math rooms, plenty of numbers are placed before them in the classes of Introduction to Algebra, Algebra I, II, Geometry, and Math IV. Modern math invaded the high school causing modern thoughts and problems. The mathematics leaders of tomorrow are tutored by:

Mr. Martin—Algebra I, II, Math IV

Mr. Hiebert—Introduction to Algebra, Algebra II

INDUSTRIAL ARTS

Mr. Boese discusses a drafting problem.

Boys, under the instruction of Mr. Major, learned welding, lathe work, and auto mechanics in Metal Shop.

Mostly Freshmen enrolled in General Shop. Mr. Melcher and Mr. Boese undertook the task of teaching General Shop.

Cabinets, gun cases, and desks are some of the projects undertaken by the Wood Shop I, II, III classes, taught by Mr. Melcher.

Machine and pattern-making projects were what the drafting class, taught by Mr. Boese, mastered this year.

Many useful articles were made by the Industrial Arts classes. They have every right to be proud of their work, in view of the fact that they had only one hour a day to work on the construction of these projects. Many of them required extra, outside time, to build.

As in years past, all projects must be finished in time for the open house held in May. This is the climax of the year for Industrial Arts, for all projects are on display in the building that night.

HOME ECONOMICS

Today's high school girls will be the homemakers of tomorrow. These girls need to prepare for this future in the home in the dual role of homemaker and wage-earner. The best way to get this experience is to take courses in Home Economics.

This year, G.C.R.H.S. boasts two Home Economic teachers, Mrs. Gregory, who teaches Home Economics I; and Mrs. Wells, who has one class of Home Economics I, and two each of Home Economics II and III.

This summer Mrs. Wells will attend an Aerospace Workshop at Fort Hays. Research on nutritional problems in outer space will be held in the aerospace headquarters at Cape Kennedy.

Home Economics is important for better future homemakers and better performances in the world of the wage-earner.

Children enjoy their stay at play school.

ART

This year Mrs. Scott has broadened the area of art. All of the art classes covered these areas. Sculpture: carving into different media. Examples are wood, stone, plaster, and metal. Ceramics: working with clay and glazing the clay bodies. Nature drawing: drawing items of nature. Figure drawing: drawing human beings. Drawing: learning the different ways to draw. Oil painting: painting with oil. Silk screening: learning to print posters using silk screening method. Landscaping: drawing the different landscapes around the city of Ulysses. Lettering: learning to make letters look like what they mean. Some examples tall, hot, cold, and short. Line and design: to abstract items of nature. Water color: learning to mix different colors. Perspective: drawing to the point. Enameling: working with jewelry.

The people who work on ceramics could work on the potter's wheel if they desired to do so. The potter's wheel is used to throw pots on. It goes around in a circle. This is a skill that takes a lot of time.

Mr. Graves directs the band in another important rehearsal.

The "Tiger" marching band this year consisted of 64 members with 8 alternates, 4 twirlers and 1 drum majorette. The band went to the state fair in Hutchinson in September and also performed at all home football games. After marching season, the 83-piece concert band was organized. From this a 35-piece pep band was organized which provided music at basketball games. Members of the concert band were required to keep a record of practice time, as well as complete weekly assignments and playing tests. From the concert band are formed several small ensembles which perform at various community functions, as well as contest in the Spring.

The concert band this year gave a winter concert in February, went to contest at Oakley, performed at open house, and played for commencement, thus rounding out a busy but profitable and enjoyable year.

INSTRUMENTAL MUSIC

The pep band performed at a basketball game.

The concert band presented two concerts, one in the winter and the other one at open house in the Spring.

VOCAL MUSIC

Above: Mr. Gregory entertains the vocal students.

Our music department here at G.C.R.H.S. is divided into two departments, occupying one of these divisions is our vocal department.

Under the direction of Mr. Bill Gregory, the department has strived to produce some of the outstanding musical renditions of our time. We here at G.C.R.H.S. certainly appreciate all the

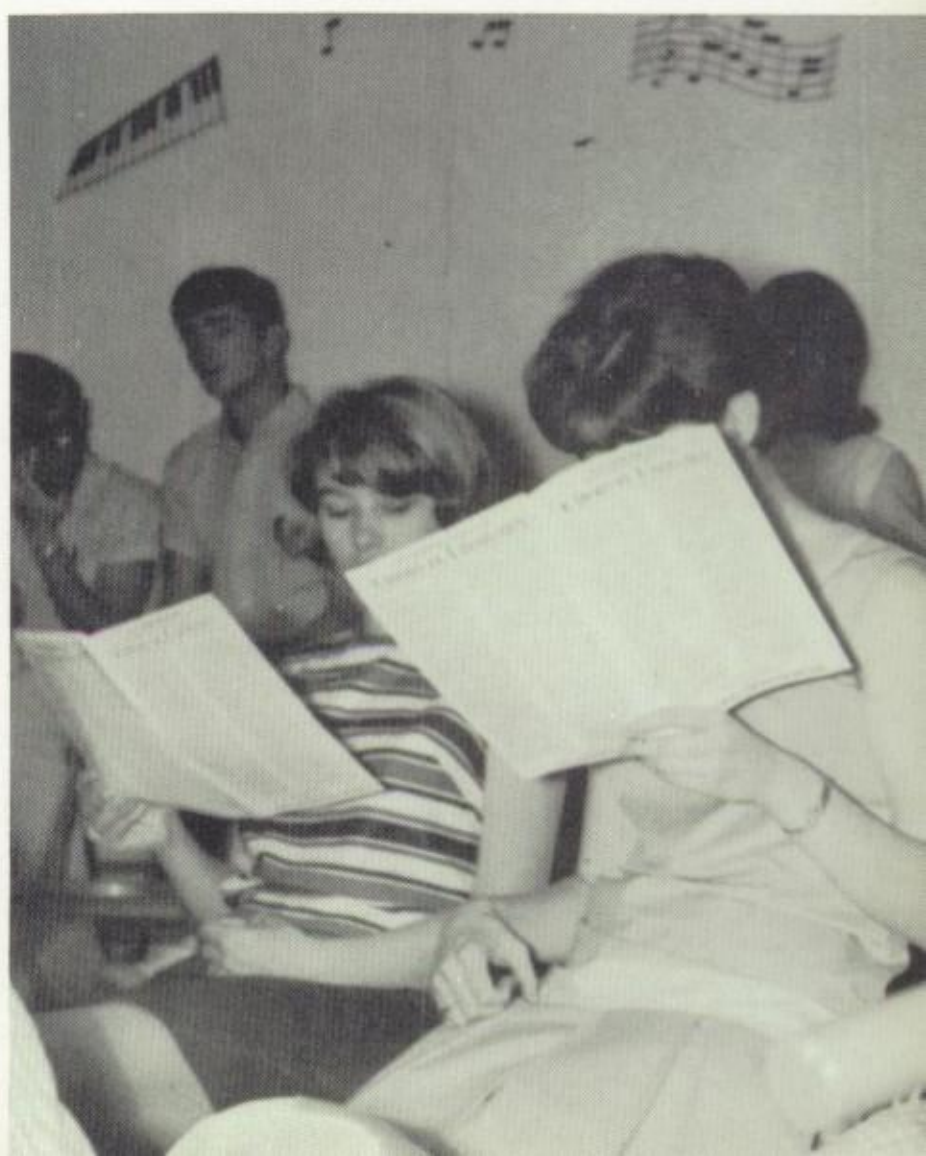

work to which Mr. Gregory and all his vocal students have gone to make our school year more enjoyable.

A complete picture story of our vocal department is contained on pages 105, 106, 107, and 108 in your Tiger.

SENIORS

G.C.R.H.S. is about to lose a group of 73 seniors who are looking forward to a new world of new jobs and great opportunities. With these graduates will go all the memories of the 1965 Jr.-Sr. prom and how we all worked together to make it a "Tropical Island Paradise." The memories of all the ball games, the parties, the 1966 Jr.-Sr.

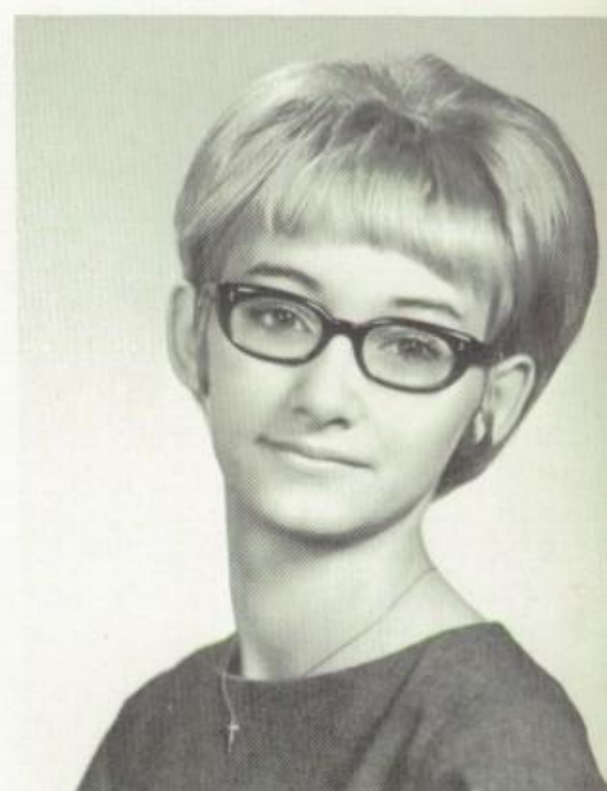

prom, and the homecoming activities that made our last year the greatest, will be with us forever. But, the best, everlasting memories, will be those of our friendships, and of teachers who helped us look toward the future and be prepared for whatever it brings.

SUSAN ALEXANDER has gone to school in Grant County for twelve years. Playing the piano and riding horses are her hobbies, and choir is her favorite subject. People who never show respect are her pet peeves. To attend college is her goal for the future.

CONNIE ALLEN has attended GCRHS for three years. English is her favorite subject and reading and watching television are her hobbies. She dislikes people that are in bad moods. Connie plans to attend college after finishing high school.

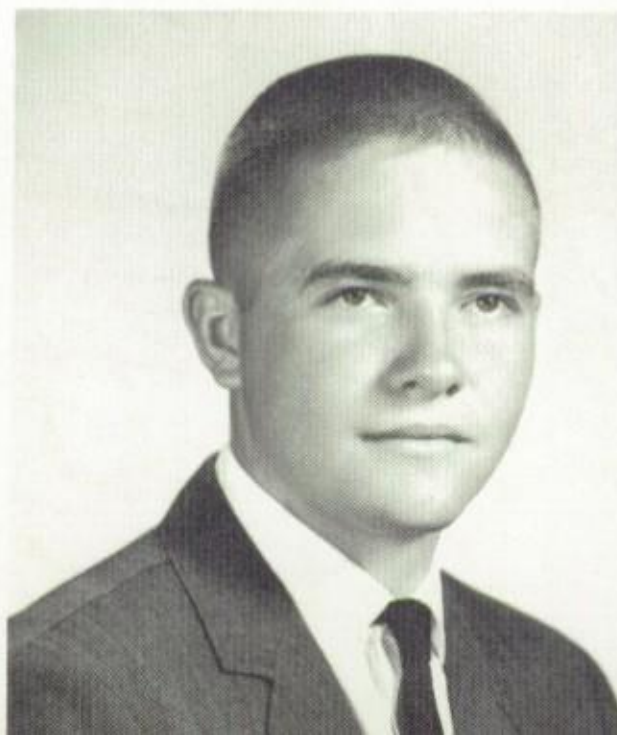

LORRAINE BARBO has gone to school in Ulysses off and on for eight years. Sewing and art are her hobbies, and art and bookkeeping are her favorite subjects. Lorraine will attend a business college for several years, and then get married.

BARBARA BENDER moved to Ulysses two and one half years ago as a sophomore. Sewing and dancing are her hobbies, and shorthand is her favorite subject. Her pet peeve is people who pop their gum. Barbara will get married after graduation.

DONLEY BLOESSER has gone to Ulysses schools for six years. His hobby is listening to the radio, and drafting and shop are his favorite subjects. His pet peeve is girls with bleached hair. He plans to go to college next fall.

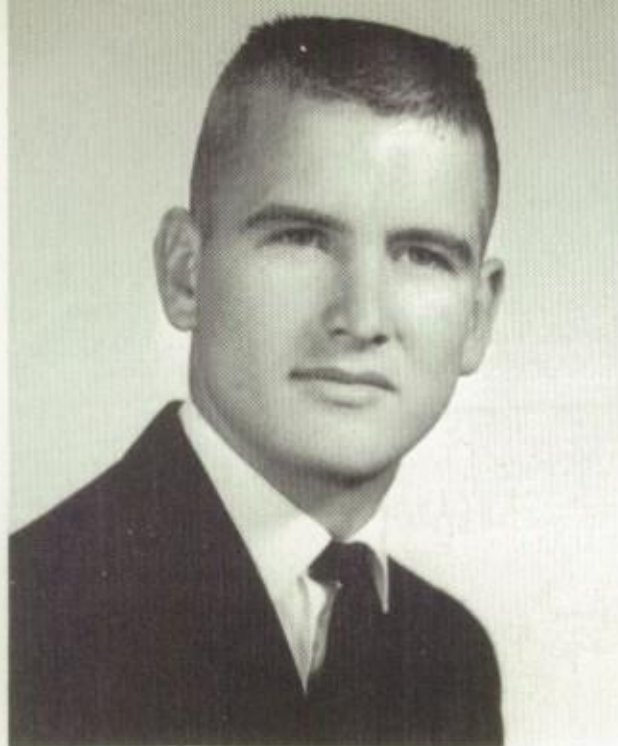

JACK CALL moved to Ulysses as a junior, and has been very active in school activities and sports. His favorite subject is science, and his hobby is athletics. After graduation, he plans to go on to some college or university.

JERRY CALL is one of the newest members of the senior class. He and his brother Jack have lived here for only one year. Art, drafting, and sports are his hobbies, and drafting is his favorite subject. Jerry plans to go to college after graduation.

DALE CHILDERS is another twelve year member of Tigertown. His favorite subjects are shop and drafting, and athletics is his hobby. Dale plans to attend college at Pittsburg, Kansas, and will major in drafting after graduation.

KEITH CROSBY has been a member of G.C.R.H.S. since the eighth grade. His favorite hobby is collecting house plans, and drafting is his favorite subject. After graduating from high school, Keith plans to attend college.

DWAYNE DAVIS is another twelve year member of Tigerland. Cars and sports are his hobbies and shorthand is his favorite subject. Music teachers are his pet peeve. After graduation, Dwayne plans to attend college and major in music.

WAYNE DAVIS has gone to Grant County Rural High School for five years after attending Red Rock country grade school. Auto mechanics is his favorite subject and cars are his main interest. After finishing high school he will join the Army.

SHIRLEY DIEKER is a twelve year member of Ulysses schools. Her hobbies are reading and cooking. She has named typing, shorthand, and bookkeeping as her favorite subjects. Shirley may possibly attend a business college and seek a business career in the future.

JUDY FAULDS moved to Ulysses as a first grader. She is very interested in reading and cooking and enjoys business courses. Two-faced people and those who pop their gum are her pet peeves. Judy will move to California after graduation.

CHARLES FLOYD has gone to Grant County Rural High School for only one year. He doesn't have a favorite subject but rope throwing is his hobby. Charles plans to join the Navy after graduating from high school.

ROGER FLUMMERFELT is another twelve year student of Tigertown. His hobbies are hunting and fishing and his favorite subject is journalism. Girls with bleached hair are his pet peeve. His future plan is to attend K.S.T.C. at Emporia.

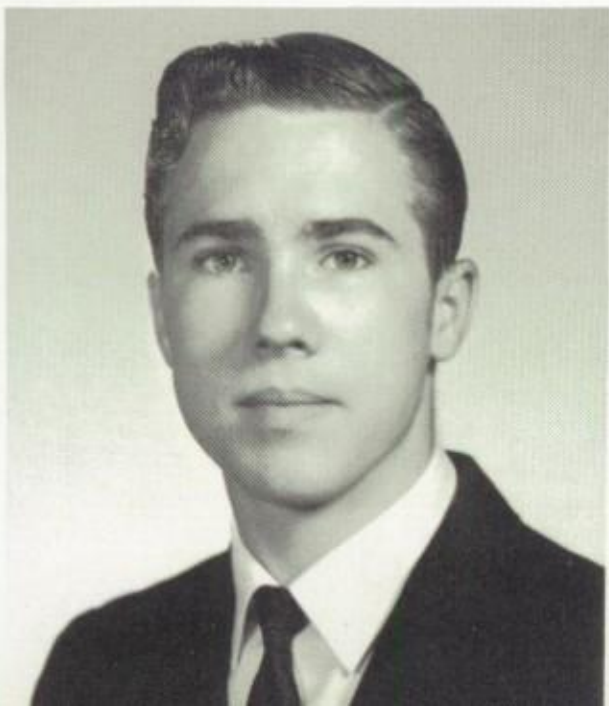

ROBERTA GEE moved to Ulysses from Denver seven years ago. Art and office practice are her favorite subjects and movies are her hobbies. People who don't carry out orders assigned to them are her pet peeves. To attend college is her future plan.

TROY GEE for six years has been a member of Tigerland. Athletics is his hobby and drafting is his favorite subject. Show-offs are his pet peeves. After high school, Troy will attend college either at Wichita or K-State.

NANCY GETTLER, another twelve year Tiger, will attend Kansas State University next fall. She enjoys sewing and likes English class. She dislikes people who are always getting into arguments or into someone else's business.

CHARLES GREEN has attended G.C.R.H.S. all four years of high school. His hobbies are hunting and participating in sports. English is his favorite subject. After leaving high school, Charles plans to attend a barber school.

CINDY GRIMES moved to Ulysses three years ago from Hugoton. She likes to sew and is very interested in art, which is her favorite subject. She is planning to get married after her high school days are over.

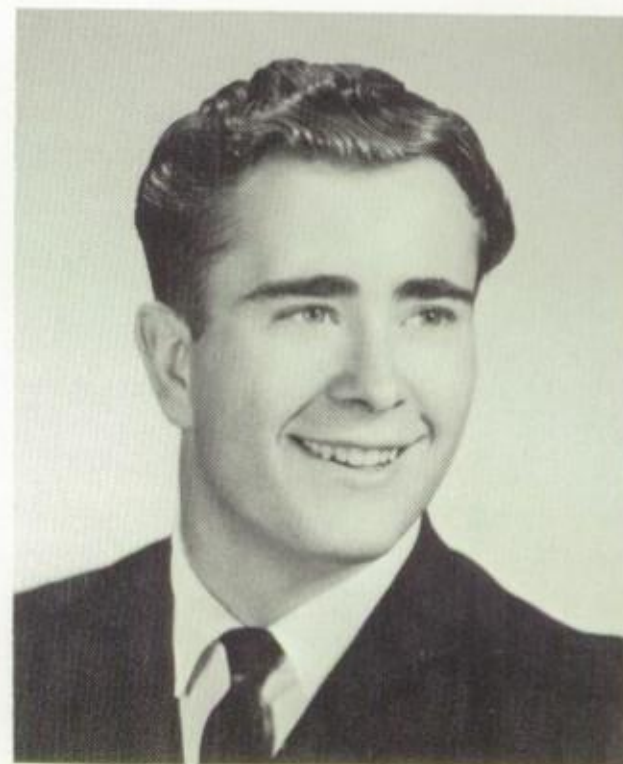

FROSTY HACKER, whose hobbies are hunting and cars, has picked shop as his favorite subject. School and grouchy teachers are his pet peeves. After schooling in Ulysses for twelve years, Frosty plans to join the armed services.

BETTY HALE is very active in school and enjoys advanced speech class. Re-arranging wardrobes is her hobby. People who complain and those who give up are her pet peeves. Betty has attended our schools for twelve years and will attend college next year.

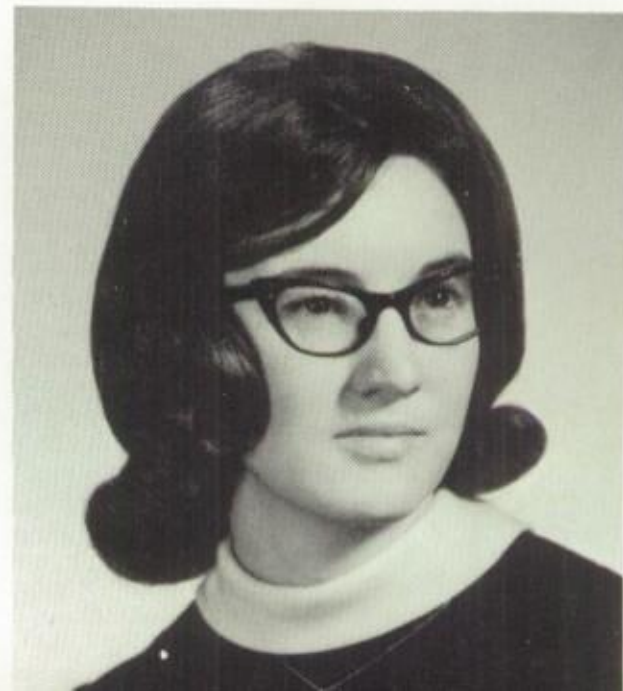

CONNIE HAMPTON has had all of her schooling in Ulysses. Advanced biology is her favorite subject and sewing is her hobby. People who pop their gum are her pet peeve. Connie will attend a college or university after leaving GCRHS.

DONNA HAMPTON is another of the twelve year members of Tigerland. Her favorite subjects are art and shorthand, and her pet peeve is people who gossip. After graduation, Donna will attend K.S.T.C. at Emporia, Kansas.

JAMES HAMPTON has attended Ulysses schools for twelve years. Hunting and fishing are his hobbies, and biology is his favorite subject. The closed-noon hour is his pet peeve. James plans to go to a trade school after graduation.

MARLENE HARLEN has been a student here for twelve years. Her favorite subject is bookkeeping, and she enjoys knitting, fishing, and riding horses. Unorganized class meetings is her pet peeve. Her future plans are to raise a family.

KATHLEEN HENNIGH has gone to G.C.R.H.S. for four years. Art, dancing, and music are her hobbies, and art and biology are her favorite subjects. Disagreement over stupid things are her pet peeves. Kathleen will attend Fort Hays State College after graduation.

PAM HEYMAN is one of the many twelve year members of Tigerland. Music and swimming are her hobbies, and band and art are her favorite subjects. Sloppy dressers are her pet peeves. After graduating from Grant County Rural High School, Pam plans to attend college.

MIKE HICKOK is another twelve year member of Tigertown. Typing is his favorite subject and collecting stamps is his hobby. His pet peeve is grades. Mike plans to attend K.S.T.C. at Emporia after his high school days are over.

JOHN HINDMAN has attended Ulysses schools since the eighth grade. Hunting and fishing are his hobbies and metal shop is his favorite subject. His pet peeves are big shots and smart alecks. John will attend a trade school after graduation.

RONALD HOLT has had all of his schooling in Ulysses schools. Slot car racing and playing pool are his hobbies, with drafting and journalism as his favorite subjects. After finishing high school, Ronald will join the Air Force.

VIVIAN HOWARD has gone to school in Ulysses most of her twelve years. Her hobbies are dancing and listening to records. Homework is her pet peeve and shorthand and bookkeeping are her favorite subjects. Vivian will attend college after graduation.

CINDY HUBBELL has attended Ulysses schools for ten years. Tennis and swimming are her hobbies and psychology is her favorite subject. People in bad moods are her pet peeves. Cindy plans to attend Salt City Business College after graduation.

STEVE JOYCE has gone to school in Ulysses all of his life. Sports and models are his hobbies and physics is his favorite subject. Students who don't take an interest in school are his pet peeves. Steve plans to attend college after his high school days at G.C.R.H.S. are over.

KARYN KENNY moved to Ulysses three years ago as a sophomore. Swimming and dancing are her hobbies and math is her favorite subject. Her pet peeve is someone who has clothes like she has. Karyn will attend Wichita State University after graduation.

CHARLES LEIGH is another of the many twelve year students in Ulysses. Advanced biology is his favorite subject and cars are his hobbies. Hot shot boys are his pet peeves. Charles will attend college after his high school days are over.

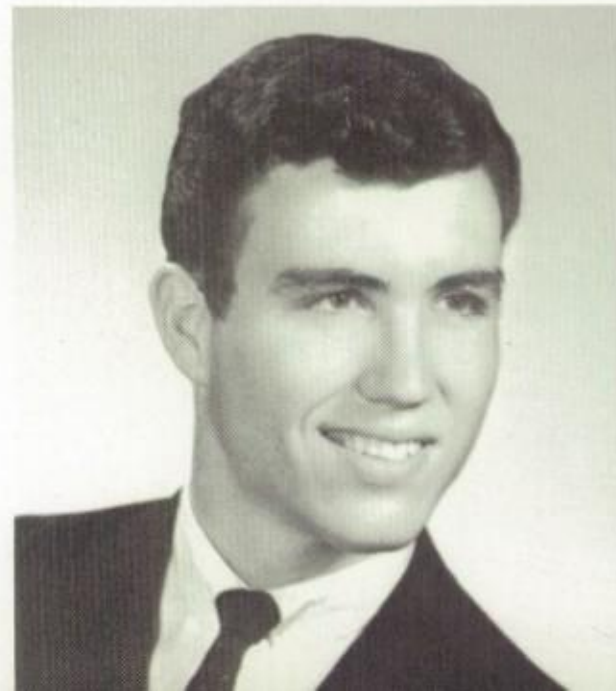

GEORGE LEIGHTY, for twelve years, has been a member of Ulysses schools. Physical Education and wood shop were named as his favorite subjects. He is planning to join the armed service after graduation from G.C.R. H.S.

THE JR. SR. PROM and BANQUET EVENING IN PARIS

The Junior class and their sponsors, Mr. Cole, Mr. Rundell, Mr. Akin, Mr. Major, Mrs. Scott, Mrs. Wells, and Mr. Melcher, worked very hard this spring to give the Seniors a Prom and Banquet, which was very much enjoyed. At the banquet, after eating, Mr. Bogue gave an interesting address giving a lot of good advice to the Seniors. The old gym was transformed into a Paris street scene and the music was provided by the Mau Maus of Dodge City. Formals and dinner jackets made an impressive scene as they danced both fast and slow. Senior sponsors were: Mr. Graves, Mr. Gregory, Mr. Burkhart and Mr. Schrepel.

Teachers gather around the sidewalk vender.

Dodge City Mau Maus perform at Cafe Rendezvous.

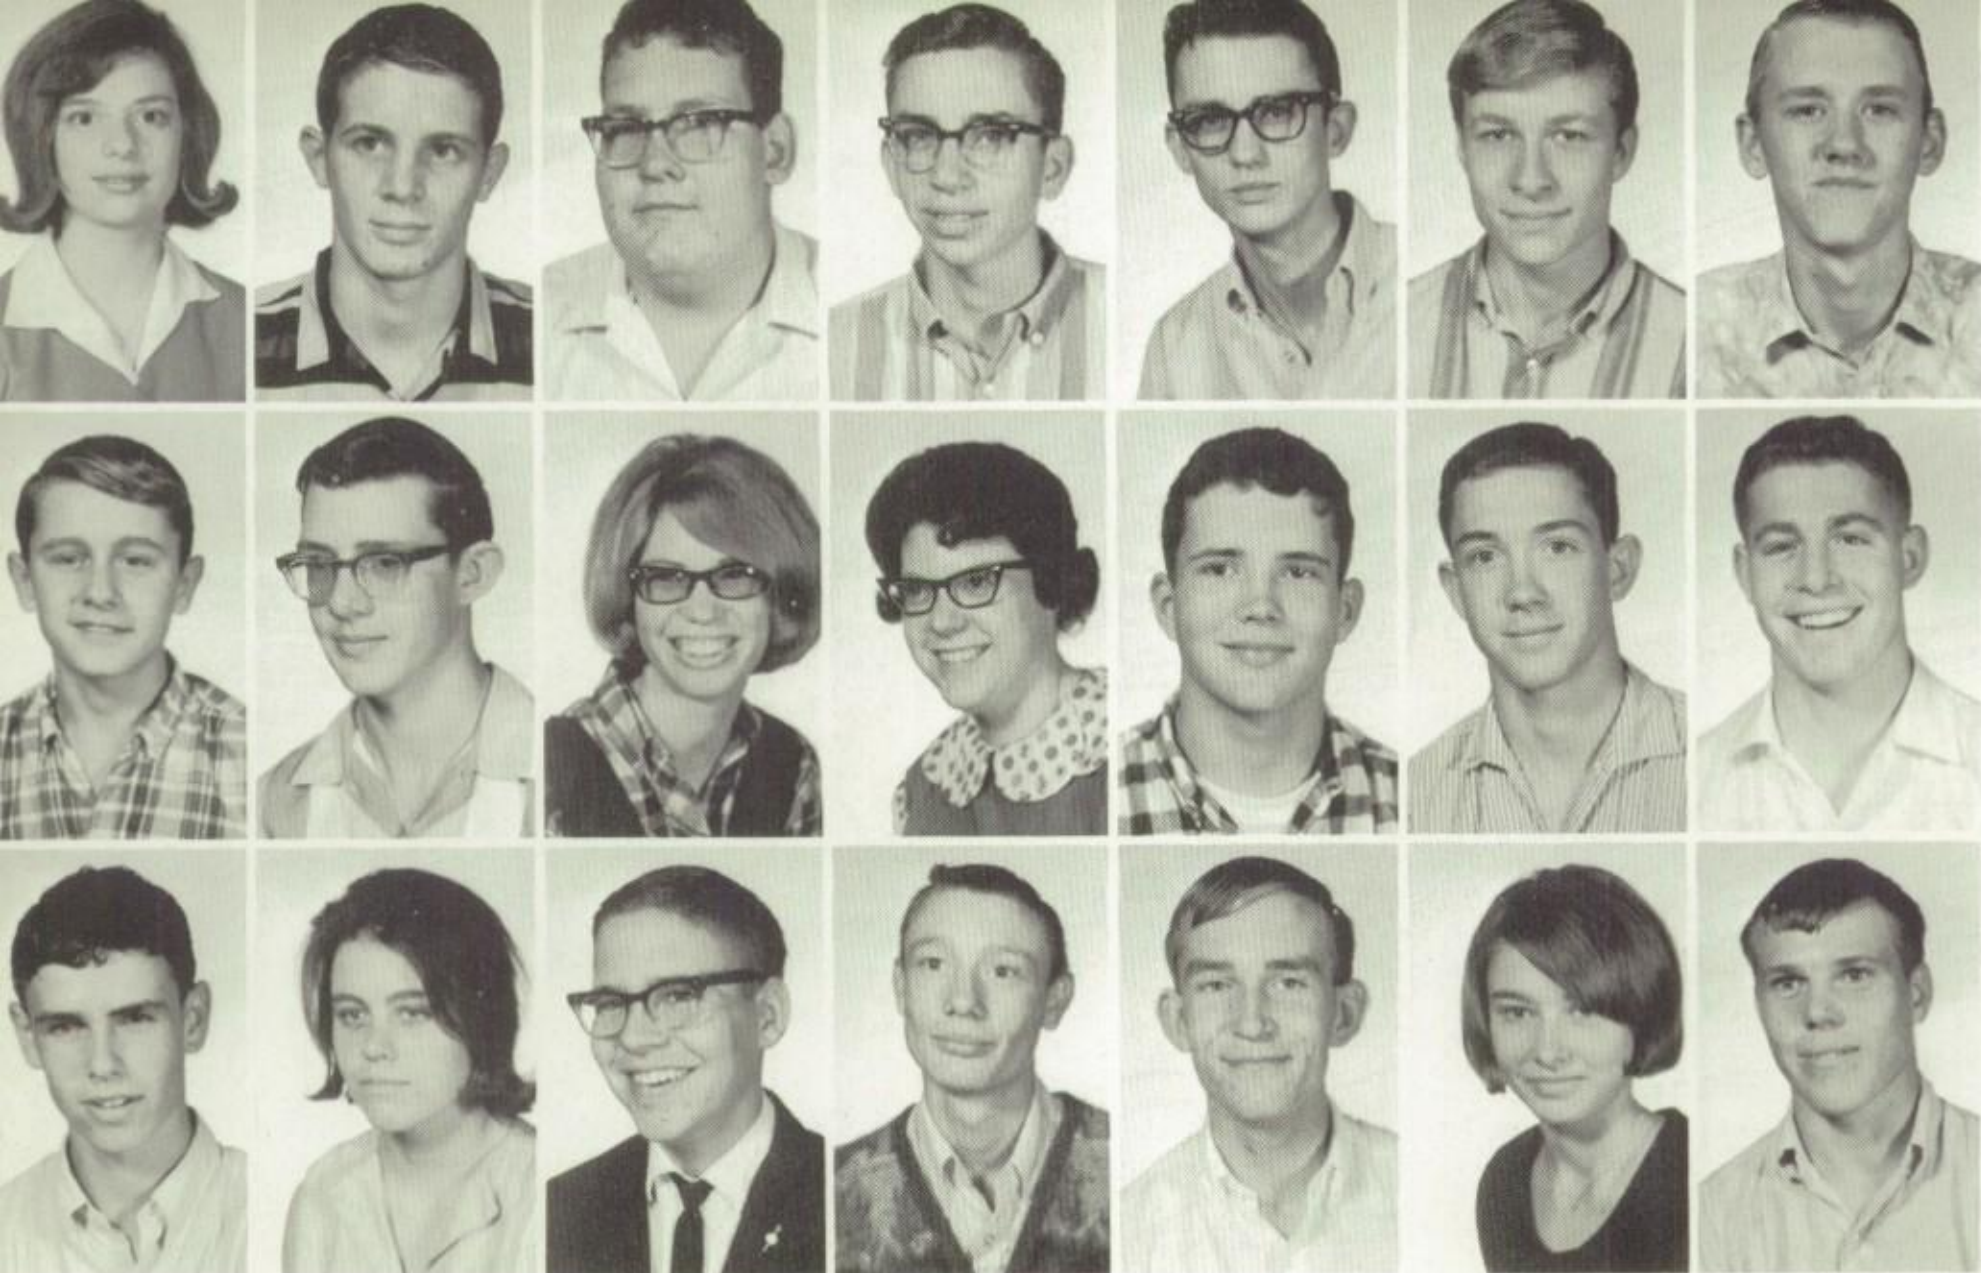

JUNIOR CLASS

"One More Year to Go"

Just one more year to go, and a few of the Juniors are wondering if they will ever make it. Well, most of them made it through their Junior year successfully. Perhaps some of the credit should go to the excellent leadership of the Junior class. Leading the group was Gayle Johnson as President.

Her major assistant was Virginia Martin, Vice-President. Minutes of the various meetings were taken by the Secretary, Pam Shea; and controlling the money was the job of Pat Shea, Treasurer. Cheryl Fort and Wayne Howard were in the student council representing the mighty Junior class.

A SUCCESSFUL YEAR

Early in December the class rings arrived, and there was a mad rush to Amerine to buy them. The prom, under the guiding hands of Mrs. Scott,

Mrs. Wells, and Mr. Melcher, was a tremendous success as always.

Roger Britton and Susan Hill were among three other couples nominated for the yearbook King and Queen. They were runners-up in the heated battle between the classes. This was the first yearbook King and Queen contest to be held in G.C.R.H.S, for some time. Roger and Susan are both active students in school. Roger is an outstanding basketball player as well as a participating member of the track team. Susan is an "A" team cheerleader and a member of many club organizations. Roger and Susan are both Juniors.

JUNIOR CLASS PLAY

The Junior Class of GCRHS presented the play "OUR TOWN" November 23rd in the auditorium. The story was of ordinary, everyday life in Grovers Corners, New Hampshire, at the turn of the Century. The play was written by Thornton Wilder, and was directed by Wilfred Schrepel, assisted by Miss Bonnie Slifer.

SOPHOMORES

sober, serious successful sophomores

The Sophomore class of '65-'66 had a busy and fun-filled year. The class of 113 was led through the year by dependable officers. Layne Smith was president, assisted by John Reeves, vice-president; Linda Frack, secretary; and treasurer, Barbara Gillen. Representing their class in Student Council, were Floydean Eddie, and Larry Borthwick. Mr. Benson, Mr. Boese, Mr. Martin, and Mr. Hiebert furnished the faculty advisory group.

A float entitled "The Eagles think they're mighty tall; but the taller they are, the harder they fall," was the Sophomore's contribution to the football homecoming parade.

Linda Frack and Duane Harbour were chosen Tiger "King and Queen" representatives.

As the year ended, the sophomores paid tribute to the seniors, by serving at the Jr.-Sr. banquet.

The largest group ever to attend G.C.R.H.S. was the Freshman class of 1965-66. The class of nearly 150 students was led by Jeff Joyce, president; Joe Brewer, vice president; Nancy Randle, secretary; Vicki McNitt, treasurer; and Donnie Gaskill and Donna Swindler as student council representatives. The large class was sponsored by Mr. Hale, Mr. Hastert, Mr. Bailey, and Mr. Smith. The Frosh participated in various activities conducted by the school and its many organizations. Donna Swindler and Jeff Joyce represented the class as candidates in the "Tiger" yearbook Queen and King competition. The creative ability of the underclassmen was shown by their football homecoming float, "Devour the Eagles."

The Frosh Tigers had a fairly good football team, defeating Hugoton 24-6 and Elkhart 18-6. However they fell to Liberal 0-34, Garden City 0-13, and Guyman 6-20. The spunky Tiger cubs refused to let Sublette's team of freshmen and sophomores score against them, but failed to score themselves. The Freshmen put forth great efforts in the other competitive sports of basketball and wrestling, also.

All in all it was a great year for a great class.

FOOTBALL '65

The Ulysses Tigers had a winning season of five wins and four losses.

The season opener gave the Tigers a 19-0 win over the Sublette Larks. Then with the opening win under the Tigers belt, they played host to the Elkhart Wildcats. The Tigers fought hard for a victory over the hustling Wildcats by the score of 7-0.

The first game away found the Tigers playing the always tough Beaver Dusters. At the half the Tigers found the score 7-0 in favor of the Dusters. The Dusters went to the air to defeat the Tigers by the score of 28-0. After a well-played game with the Dusters, the Tigers traveled to Liberal, Kansas. The Redskins did a lot of working before

beating the Tigers by the close score of 13-7. Then the big game came for both clubs, the Ulysses Tigers and the Hugoton Eagles. This was the Homecoming for the Ulysses Tigers. The Tigers were out to play ball against the scrappy Eagles. The game had the fans on their feet several times but the Tigers handed the Eagles a 7-0 defeat. The Tigers made a journey to Dodge City to meet the Crusaders. With a very comfortable lead at the half, the Tigers went on to a 28-0 victory over St. Mary's of the Plains. It was now time for the Tigers to meet the Tigers as the Tigers traveled to Guymon, Oklahoma. Again, as at Beaver, the score was 7-0 at the half. Then the Guymon Tigers in second half went to the air.

Tigers play their usual tough defense against the Scott City Beavers.

All of Guymon's scoring came from the air. The final score was Guymon 28-0 over the Ulysses Tigers. Both the Beaver Dusters and Guymon Tigers won the title to go on and compete in the Oklahoma State Contest. Then for the last time this year the Tigerland was invaded by the Scott City Beavers. The Beavers proved to be a tough team but the Tigers came out on top for a victory by the score of 7-2.

Diane crowns Steve King.

On October 15, Diane Walker was crowned 1965 Homecoming Queen by Homecoming King Steve Joyce. The attendants and their escorts were Nancy Gettler and Troy Gee; Betty Hale and Dale Childers; and Shirley Lowry and John Neal. The band kneeled as the candidates approached the center of the heart formed by the band. Duane Randle and Rhonda Medlin were crown bearers. Diane, Nancy, and Shirley wore blue suits and Betty wore an off-white one. All the girls received orange mums and Diane received a bouquet of orange mums.

A glittering new star was added to athletics of G.C.R.H.S. this year. Cross country has been gaining ground rapidly on basketball and football. Its popularity has increased tremendously in western Kansas. Its importance can best be affirmed by the fact that in its first year, it was ranked as a major sport with football and basketball.

William Benson, science teacher, accepted the task of initiating this sport. His boys were seen working early and late, developing the stamina and skill needed for the big race.

Cross country is different from most sports. A school can enter as many teams in competition as it likes. Each team consists of seven men. Only the five most successful runners of the seven score for their individual school. Points are scored the same as the individual placement. The boy who comes in first will get one point, whereas the boy placing twenty-fifth receives twenty-five points. The composite scores of the first five team members constitute the score for the school. The lowest score is the winner. Many larger schools boast more than one team, but, since this is the first year of competition for the Tigers, only one team com-

peted during the 1965 season. It is hoped, however, that enthusiasm will continue to grow, and the Tigers will field more than one team next year.

The length of the cross country competition differs with the terrain. Here, in flat western Kansas, this endurance event usually covers three miles. In rougher country, the course is only two miles long.

Our team participated in several meets, besides playing host to visiting teams. We met Elkhart, Liberal, and Johnson on various occasions. The Scott City Invitational also found the Tigers in attendance. Here they competed with seventeen other schools. Lack of experience prevented the Tiger thinclads from making the successful showings that should have been theirs. The team has a bright future, and is rearing to go next year.

Roger Britton, Pat Chilen, Jerry Caldwell, Tom Stinemetze, Alvin Heinze, Dwayne Davis, Richard Smith, Tommy Keaton, Ned Martin, and Inez Moreno started their training in September with the beginning of the school year. The season was considered officially over November 7, 1965.

Ulysses receives a third place trophy.

This year found the Tigers coming on strong during the last part of the season. The Tigers began playing both aggressive offense and defense. The Tigers brought home the first trophy in the last three years. The team received a third place trophy at Scott City Regionals. The most thrilling games would have to be Colby and Oakley. Both games found the Tigers coming from behind with the extra efforts of Tony Bessire, Terry Stuart, Ernie Wood, Roger Britton and Mike Hickok. The Tigers were led by about a 20 point average per game of Terry Stuart and the rebounding power of Wood, Hickok and Britton.

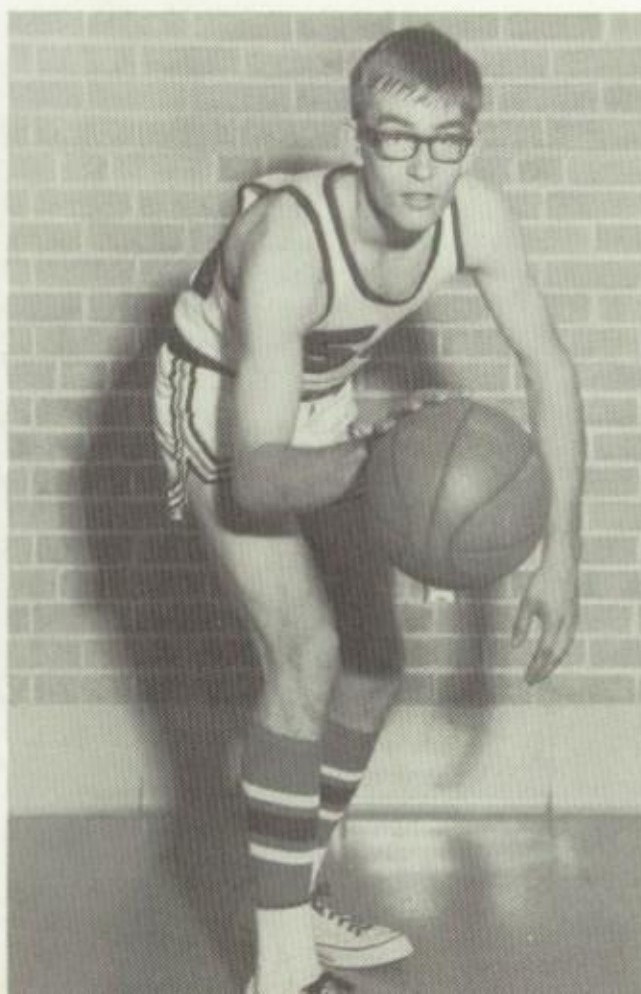

The team never elected a captain so the honors go to the three Seniors Mike Hickok, Terry Stuart and Steve Joyce. Looking at the players that are not Seniors we find a lot of potential. You can look for a lot of action from Ernie Wood, Roger Britton, Tony Bessire, Johnny Howard, Kenny Keller, Jim Covey, Mike Williams, Steve Dieker, and Richard Hagerman. The future Sophomores will add depth with John Hall, Lynn Hall, Jeff Joyce, Donnie Gaskill, Bobby Martin and Mark Walker.

The varsity is coached by Gerald Raines from Pittsburg State and Jr. varsity by Mel Akin. The Freshman coaches are Herb Bender and Vernon Hastert.

KATHLEEN AND JACK REIGN

On Friday, February 25, 1966, Miss Kathleen Hennigh was crowned Winter Sports Homecoming Queen by Jack Call. Her court consisted of Connie Allen escorted by Terry Stuart, Karyn Kenny escorted by Mike Hickok, and Vicky Meyer escorted by Sparky Loucks.

After the crowning had taken place, "Dear Heart" was sung by Dwayne Davis. The Pompon girls formed an aisle for the queen and her court as they were escorted to the royal dais. The crown-bearers were Sara Elliot and Kirmet Rainman.

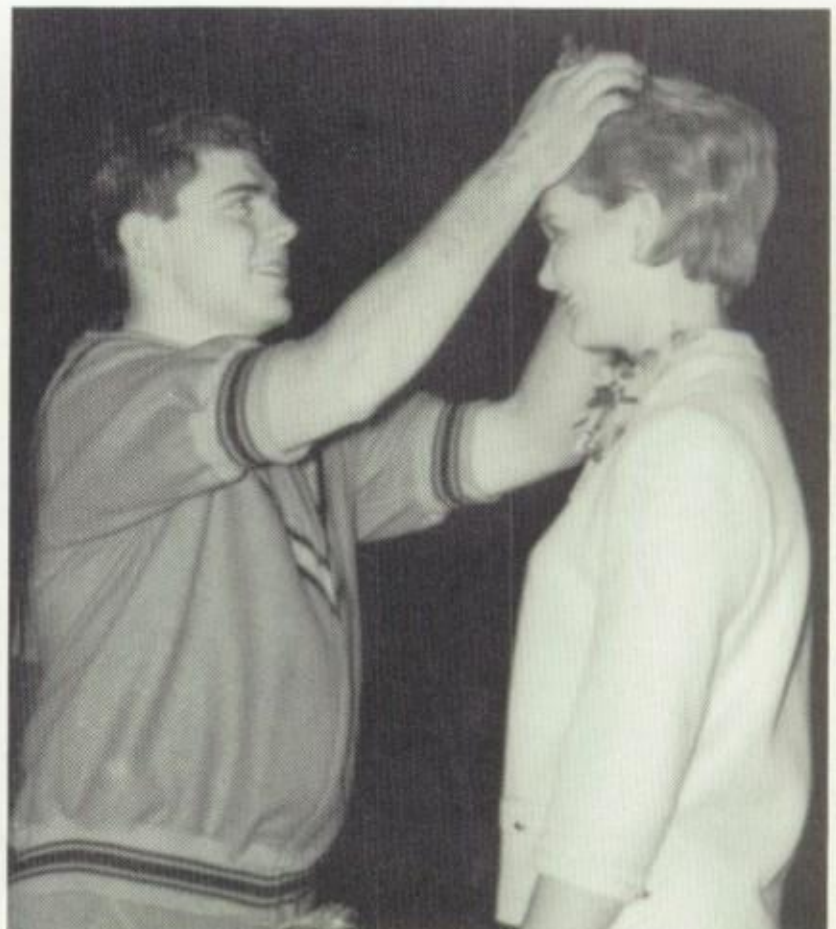

Wrestling was included in the homecoming ceremonies for the first time this year.

The Homecoming game turned out to be a victory for the Tigers. They defeated Hugoton 71-49.

WRESTLING '66

Jack Call shows a Kinsley "Coyote" how it's done.

I think we will all agree that this has been an exceptional year for wrestling at G.C.R.H.S. Our matmen have brought home two trophies this year, a first at our own tournament and a second at the district meet at Kinsley. Coach Gleason thinks that wrestling is finally gaining the support and enthusiasm that a good team needs and is looking forward to an even more successful year in '67. Wrestling has indeed become a major winter sport on the same grounds as basketball.

The season's first match with Dodge City was plagued by close individual losses and the weight problems, but we did make a fine showing and improved with experience as our record shows. We later went on to beat Dodge City in two different tournaments. The Tigers went on to show their claws in the Hugoton match by mauling the Eagles 43 to 3. Liberal brought out a strong team the following week to hand the Tigers their second loss, 15 to 29. This defeat spurred the Tigers into action and they soundly trounced the unsuspect-

ing Holly matmen 39 to 9. Ulysses then went against the Kinsley Coyotes, a tough bunch of hombres with years of wrestling experience under their belts and a yen to kill. Unfortunately, we were beaten 13 to 28, but I must say that at the regional meet in Colby, the Tigers outscored the Coyotes by 25 points. Being beaten just didn't sit well with the Tigers, so on the next and last three dual meets the Tigers clobbered first Walsh 42 to 8, then Hugoton 38 to 6, and Walsh again by 40 to 6. You can readily see that our record doesn't tell the whole story and that it's interesting to note that the Tigers scored on the average twice as many points as their opponents. In the statewide competition Ulysses was the only school in Kansas to send all twelve weight classes to the regional at Colby. Two Juniors, Jerry Caldwell and Pat Chilen, took third at state and will return to wrestle next year. A summary of the individual records is on page 84.

Varsity: Pat Chilen, 95 lbs.; Greg Morton, 103 lbs.; Charles Green, 112 lbs.; Dale Childers, 120 lbs.; Jerry Caldwell, 127 lbs.; Jeff Menzie, 133 lbs.; John Leighty, 138 lbs.; Jack Call, 145 lbs.;

GOLF

This "66" Golf season saw some twenty-two young men out on the local course competing for honors on the G.C.R.H.S. Golf team. The sports has been growing for some years now and this year the team had many activities to participate in. When in a meet the team is split into a four man and a two man team.

The four man team remained the same all season but the two man team was a different two boys every time.

Again this year Golf is only a minor sport, but if interest in the sport continues to grow as it has for the last few years it will soon be a major sport. Coach Gleason, though retiring from wrestling, will again coach the golf team next year.

Student Council's annual Christmas tree.

Government of the people is the most important policy in our proud land; the students of G.C.R.H.S. were well aware of this and exercised their heritage.

The 30 members of the 1965-66 Student Council were presidents and representatives of the four classes and all school organizations. This able-minded group was led by President Terry Stuart and Vice-President Jeff Menzie, who were elected in the fall by the whole student body. Donna Hampton served as the Council's secretary-treasurer and Mr. McGaughey served as sponsor. The Student's government was very active during the year; setting up the school's dress code, sponsoring the first school carnival, revising the constitution, and setting up concessions for all home games. The elected organization along with Y-Teens bought the annual Christmas tree for our lobby.

F.H.A.

FHA started the year with 95 members. The first program was a panel discussion on "How FHA Can Help You." Pat Hale was moderator, Mrs. Joyce Summers and Miss Kathy Unruh, (former FHA members) led the discussion. Next, FHA girls modeled Symplicity garments at a style review given for mothers. Lois Jenning, President, was Narrator. FHA girls went to the District meeting at Syracuse this year. They put on a skit on the meaning of the FHA Emblem. This year FHA girls held a Valentine dance on February 12th. They also had a talent show and a box sup-

per on March 25th. The main goal of FHA is to help individuals improve personal, family, and community living.

Some of the important highlights of the year consisted of a Valentine dance at which the Coachmen, a combo from Garden City, played. Initiation including candle lighting service with watermelon feed was held in the Fall. Mrs. Wagner, local florist, explained how flowers can become a good hobby for leisure time and a creative part-time vocation.

Instituted to nurture the vital art of effective, oral communications in the areas of debate, oratory, and public speaking, NFL has made its impact. In existence only six years at Grant County Rural High School, the current active membership totals 26. These members were responsible for such activities as the 13th Annual Ulysses Novice Debate Tournament (the oldest novice tournament in Kansas), the district debate squad (Ulysses placed fifth at district), and the all-school play (*Arsenic And Old Lace*). Through a point system, NFL encourages its members to participate in forensics. Breaking of Pinata

Mr. Rundell and Mr. Lonard
Mr. Mitchell

G.C.R.H.S. this year resounded to four different languages. English, of course, held prevalence over all other tongues. But also heard echoing through the halls were the flowing, melodic sounds of Spanish, and the less pleasing phrases of Russian and German.

Larry Metcalf was elected President, Jackie McGillivray, Vice President; Becky Joyce, Secretary-Treasurer; and Tom Pinnick Student Council Representative.

One meeting of the organization found Mr. Rundell taking the students on a 23,000 mile trip through Central and South America via slides which he and his wife made during their summer tour.

The Christmas meeting presented Mr. and Mrs. Walter Feierabend of Eutin, Germany. Mr. Feierabend was engaged in an exchange-teaching position at Hugoton. The meeting ended with the traditional breaking of the Pinata, and refreshments.

GCRHS was honored at being chosen as a laboratory school for the training of language teachers. Larry Lonard, Senior student in foreign languages from KSTC, Emporia, spent nine weeks working under the guidance of Mr. Rundell and Mr. Mitchell. Mr. Lonard's teaching fields will be Russian and German.

Plans for additional laboratory and classroom space and equipment anticipated the record-breaking demand for foreign language study in the fall semester of 1966.

Y-Teen Goals

To grow as a person.

To grow in friendship with people of all races, religions, and nationalities.

To grow in the knowledge and love of God.

Y-Teen Purpose

To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians.

In this endeavor we seek to understand Jesus, to share His love for all people, and to grow in the knowledge and love of God.

Y-Teens

The eighty-four Y-Teen members enjoyed many activities this year. The organization was led by Betty Hale, President; Shirley Lowry, Vice-President; Nancy Gettler, Secretary; and Kathleen Hennigh, Treasurer. Mrs. Summers and Miss Slifer were the sponsors.

Y-Teen is a christian organization which is a branch of the Y.W.C.A.

This year for the first time, in order to become a member of the club, it was necessary for the girls to recite the purpose of the Y-Teen organization. Another new activity was the monthly pot-luck supper for the cabinet members.

The club held a semi-formal at Christmas time. Another event was the Twirp Week March 14, March 18 culminating in Hobo Day and dance, with the Moondogs furnishing the music, Friday night.

PROGRAM

Capiton Hill Charles Carter
Capiton Hill is a modern concert march which contains many fresh harmonic sounds and embodies all of the important key relationships and formal aspects of the traditional concert march.

A Symphonic Prelude Alfred Reed
An interesting arrangement of the folk song, "Black is the Color of My True Love's Hair."

Sonata for Band. Paul W. Whear
Paul W. Whear, one of America's foremost contemporary composers, has many works published and has been commissioned to do a number of larger works. Sonata for Band was written for the DePauw University Band, Dan Hanna, conductor. The title was selected because it is in sonata-allegro form except for one section where an attempt has been made by the composer to imitate the sound of the bell in the tower of Meharry Hall on the DePauw University Campus. The number contains many driving rhythms, changes of meter, and exposed parts, which make for difficulty in performance; but still characteristically contemporary.

Allegria Robert H. Pearson
A lively tempo with a Latin American flavor combine to make this an interesting concert piece for band.

A Sacred Suite. Alfred Reed
A Sacred Suite is built up from seven well known hymns, sacred songs, and gospel tunes. The melodies, in order of appearance, are as follows: "Sweet Hour of Prayer", "All Hail the Power of Jesus Name", "When I Survey the

Einsugs Marsch Johann Strauss
Arr. by Barnes

This march is taken from one of Strauss's famous operas, "The Gypsy Baron". "Gypsy Baron" is colorful with gay, Viennese waltzes and melodies. Strauss introduces this fine march in the third act, played by a Hussar band in gay uniforms. They march into the Ballroom playing the "Einsugs Marsch" in the gay Viennese tradition much to the enjoyment of the guests.

Dedicatory Overture Clifton Williams
Dedicatory Overture was commissioned by a National Honorary Music Fraternity at Evansville College, Indiana for use in services dedicating a new music building. A concert overture in form, "Dedicatory Overture" employs the composer's own settings of the Evansville College alma mater hymn contrasted with much original material. Composer Clifton Williams, a music faculty member at the University of Texas, is one of the most widely respected composers of serious music for the concert band.

Here Comes the Band George H. Willcocks
A typical concert march in 6/8 meter.

America the Beautiful Samuel Augustus Ward
Arr. by Carmen Dragon
Carmen Dragon has taken a melody familiar to all, and arranged it most effectively for the concert band. The many dynamic changes make this number a fitting addition to any concert.

The band prepares to march onto the field for their half-time performance.

THE MARCHING BAND

The Marching Band of 1965 was very busy this year. Every morning at 8:30 a.m. you could hear the band marching to the football field to practice for their coming performance. Their performances consisted of half-time shows at the football games and one trip to Hutchinson to the State Fair. The band worked very hard this year to put on precision drill shows which were very smart and attractive-looking from the stands. The band was led by Pam Heyman, Drum Majorette, and Cindy Hubbell, Cindy Lozar, Jeanine Miles, and Chelle McConaughy, Twirlers. The band was directed by Mr. Joe Graves.

VOCAL MUSIC

This year G.C.R.H.S. was very fortunate to again have a fine vocal department. Under the direction of Mr. Bill Gregory the department has been busily working this year for their performances at special events, at school concerts, and, of course, at the Oakley District music festival. The Oakley festival took the place of the District and State festivals held in previous years at Dodge City.

The results of the Oakley festival are on the following page of your Tiger. Also on the following pages are pictures of the many fine groups making up this year's vocal department.

MUSIC FESTIVAL RESULTS

On, Friday and Saturday, April 22nd and 23rd, the Vocal Music department attended the State music festival in Oakley, Kansas. With their usual skill, the participants brought home honors to G.C.R.H.S. The combined vocal and instrumental music departments brought back a total of 15 I's and 18 II's. No awards less than II were earned.

Vocal groups receiving I ratings included; Choir, Girls Triple Trio, and Madrigals.

Two groups received II's. They were Girls Sextet and Boys Ensemble.

Vocal solos receiving I ratings were: Blaine Bender, Barbara Gillen, and Virginia Martin.

Vocal solos receiving II's were: David Will, Dwayne Davis, Carolyn Fields, Larry Metcalf, and Vicky Meyer.

Mr. Gregory, vocal music instructor, is due congratulations, as well as the participants who put in so many tedious hours of practice.

OPEN

The public is always welcome to visit our school at any time, but a special invitation is extended near the end of the school year to visit and partake of the fun and good fellowship, as well as the serious aspect of the accomplishments of the students during the year. Here the student displays his handwork which may have occupied him during much of the current year, and the school has the opportunity to acquaint the community with many of the newest innovations of modern education.

The Biology room keeps live snakes in the room for the students.

The students in Art have been drawing still lifes. They have been doing a good job, too.

One of the students in wood shop made himself a gun case.

These are some of the sculptures that have been formed in the art room.

HOUSE

The Spanish room displays some Mexican and Spanish money.

A student in wood shop built a china hutch.

The Home Ec department displays their silver set.

No, Mr. Melcher—two plus two is four not five..

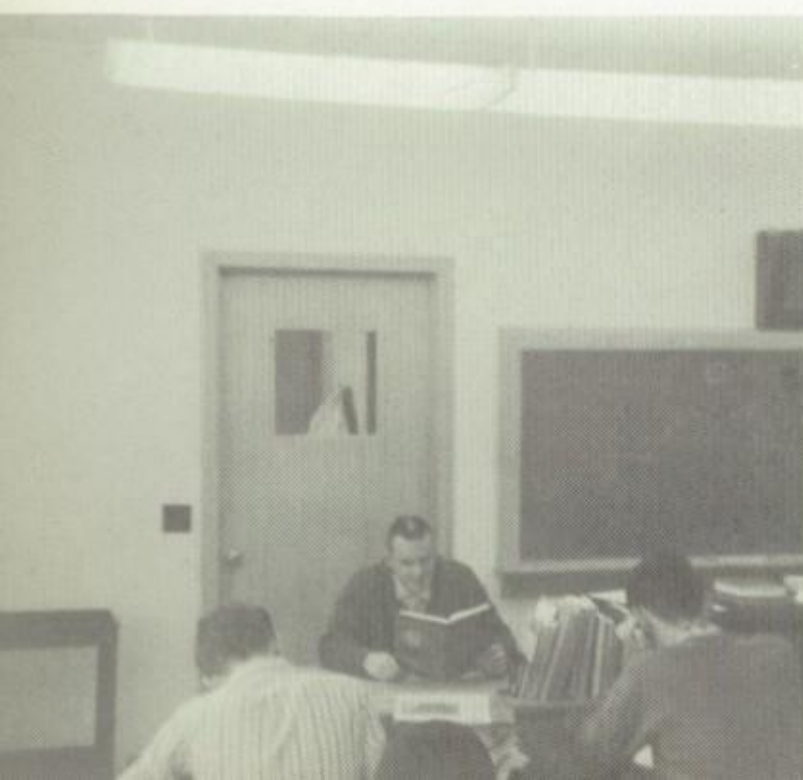

And if you don't like it class you can leave.

Later Allen later...

And they all lived happily ever after.

Cheers

Oh! Really!

It's not that I don't like you, Pam, but...

You know that hole I knocked in the wall.

I'm innocent.

Now to pick up my date.

I want to see for myself.

National Forensic League presents ARSENIC and OLD LACE

On April first and second, the National Forensic League presented an all school cast in Arsenic and Old Lace by Joseph Kesselring directed by H. Gene Specht.

This was the story of the charming and innocent ladies who populated their cellar with the remains

of socially and religiously "acceptable" roomers; the antics of their brother who thought he was Teddy Roosevelt; and the activities of the other brother—these require no further description of amplification in this place. The members of the cast were:

Celia Hahn as Abby Brewster
 Alan Rouse as Rev. Dr. Harper
 Phil Durr as Teddy Brewster
 Mark Branson as Officer Brophy
 Jeff Menzie as Officer Klein
 Frances Carter as Martha Brewster
 Barbara Gillen as Elaine Harper
 Alvin Heinze as Mortimer Brewster
 Tim Schoonover as Mr. Gibbs
 Dwayne Davis as Jonathan Brewster
 Monty Sullivan as Dr. Einstein
 Mike Stinemetze as Officer O'Hara
 Don Hunter as Lieutenant Rooney
 Larry Schwartzkopf as Mr. Witherspoon

Ann,

How if I do anything to
you I think you're a
great person. You know
I'm madly in love
with you & wish you
every happiness in
the world. I really do
hope he isn't a S.S.R.
and he won't ever
hurt you. Maybe some-
day when we're both
old & gray (as if I
wasn't already) & have
17 kids running
around we can see
each other & remember
"The Good Old Days". (HA!!)
Have fun & be happy.

Love ya,
Dad

Ann, the
 your kind of
 best friend a girl could
 have. I hope you are and
 stupid as you are and
 you may go far in the
 future. Just remember don't do
 anything I wouldn't and you'll
 be perfect. I hope we can always
 be friends.

Ann,
 Well if its anything
 to you, anything at
 all, I thought just
 I write on this page
 since my H.O.N. little
 sister did, so I could
 out do her. True? Well
 Ann in our 3 years of
 school (going on 4) we've
 had lots of fun, and I
 hope we'll have much
 more this year. You are
 a real great friend and
 you're definitely a H.O.S.
 Good luck and
 Be Good."

Ann,
 You are a great friend
 and I hope you'll
 have a great time
 in your new home.
 I hope you'll
 be a great success
 in your new home.
 I hope you'll
 be a great success
 in your new home.

Love ya
